

WAGENINGEN
UNIVERSITY & RESEARCH

1988

2006.....

ICA 2020

Need for rethinking

1. Change in landscape European university associations
2. Membership
3. Growing importance of Europe and EU institutions

Four ideas for further developing ICA

1. Make ICA more relevant: for members and for others
2. Increase involvement of members beyond rectors and deans
3. Stronger involvement with EU institutions
4. Discuss membership fees

Look forward
working with you!
