

Invitation to Enterprises and NGOs

To partner and contribute to a strong life science university network
in Europe to promote scientific progress and innovation, and so to
benefit in being better placed to compete in an ever more competitive
environment

Platinum Partner:

- will donate 60.000€ over 3 years,
- your logo will be displayed with a link to the your website on the ICA website home page,
- on the ICA website's Partner page a presentation of your Enterprise or NGO, and its research and innovation activities,
- for conferences promoted by ICA in Europe your logo will be displayed on the conference website and on conference material
- you may include one item of publicity material in the delegates' conference bag and may display a promotional banner stand at these conferences in Europe
- as a Partner you will be welcome at all ICA promoted conferences in Europe.

There will be a maximum of three Platinum Partners at any one time

Partners will have access to a stratified university network of scientists
in the life sciences, a network of competences

Gold Partner:

- will donate 30.000€ over 3 years,
- on the ICA website's Partner page a presentation of your Enterprise or NGO, and its research and innovation activities with a link to your website,
- you may include one item of publicity material in the delegates' conference bag and may display a promotional banner stand at ICA promoted conferences in Europe,
- as a Partner you will be welcome at all ICA promoted conferences in Europe.

Silver Partner: Conference sponsor

- will donate a minimum of 5.000€ which will be shared 50/50 with the local conference organiser,
- your logo will be displayed on the conference website and on conference material,
- you may include one item of publicity material in the delegates' conference bag and may display a promotional banner stand at the conference,
- as a Partner you will be welcome at the Conference.

ICA will invite all Partners to an annual meeting with the aim of
enhancing the collaboration between the Partners and our ICA member
institutions.
