
Learning Communities for the transformation to the Bioeconomy: innovation by dialogue between partners

The ICA Community of Practice Bioeconomy Education

Ingar Janzik

ICA CoP Bio-Edu

ICA CoP Bio-Edu

The ICA Community of Practice Bioeconomy Education

- **Share** experiences and good practices
- **Consult** with stakeholders
- **Develop** projects
- **Utilise** the network

Mona-Anitta Riihimäki (Chair)

Ingar Janzik (Vice chair)

Han van Osch

Sebastian Goerg

Simon Heath

George Sakellaris

Pawan Kumar Mishra

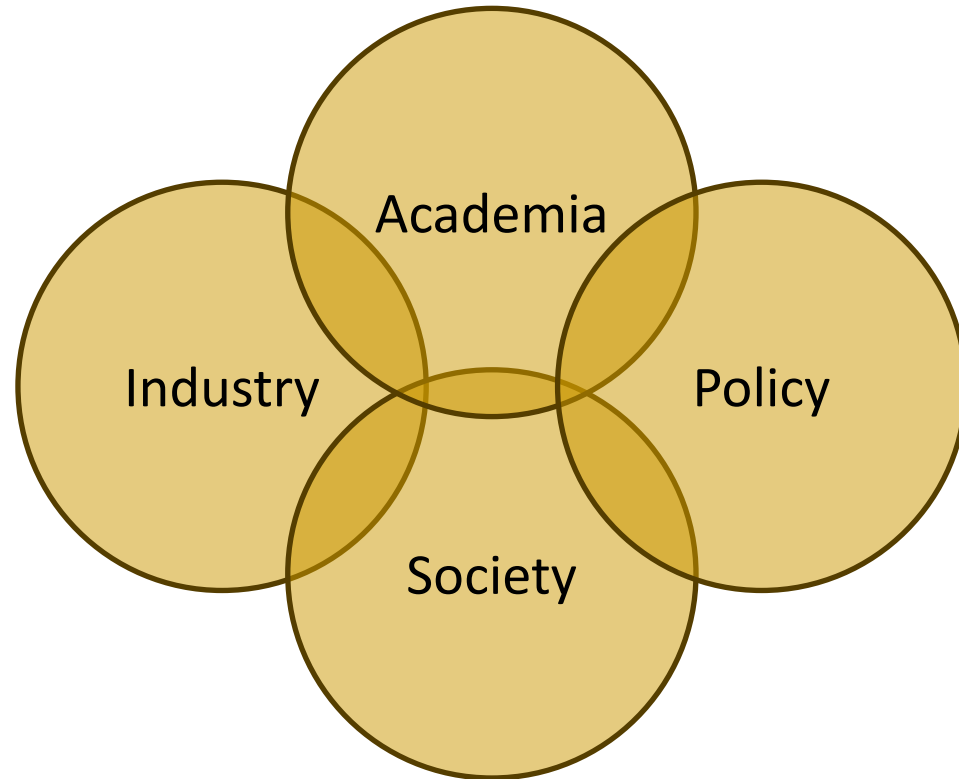

Konstantinos Vorgias

Starting point: What is a Learning Community?

Quadruple Helix Learning communities for the Bioeconomy

Why?

Climate, Resource and Societal challenges can be reduced or solved by sustainable biobased Solutions

Who?

Industry, Academia, Politics and Society

How?

Qadruple Helix Learning Communities for the transformation to Bioeconomy:

Christian Klar
BioökonomieRevier
Forschungszentrum Jülich
Germany

Raymond Sparreboom
Academy for Technology and Innovation
Avans University of Applied Sciences
Netherlands

**How can regional
collaboration drive
real transformation
towards a sustainable
bioeconomy?**
